

Dear Donor,

Thank you for lending a helping hand to the children in our society. They are constantly touched and inspired, knowing that there are people beyond their own family who care for them.

Annually, we need \$3,000,000 to fund the services we provide to these children, namely, Friends of Children, Friends of Youth, MightyKids, Families and Community, EduGrow for Brighter Tomorrows and Life Student Care Services. These programmes reach out to over 1,000 children and their caregivers. Together, we can impact their lives.

We are embarking on a campaign named "Twenty 2000" to garner the support of 2,000 donors, each of whom will commit to making a monthly donation of just \$20.

If everyone chips in a little, we can go a long way.  
**Truly, little things matter in charity.**

The team in Life Community Services Society is the voice of the children. Please spread a little something with \$20 a month.

Sincerely yours,

Lam Moi Kwai  
Chief Executive Officer

Eugene is a 13 year-old boy with dyslexia. His father was incarcerated for drug abuse. Eugene used to struggle with his studies and would find excuses not to do his homework. He had been failing all his school subjects from P1 to P4.

After joining the Friends of Children (FOC) & Friends of Youth (FOY) programme under Life Community Services Society, his caseworker visits him regularly, providing him with psychological and emotional support, and a guidance programme to instill values such as love, peace and patience. His assigned befriender acted as a mentor and provided him with academic support.

For his PSLE, he topped his cohort and received recognition from his school. He also improved in his ability to relate with confidence & communicate with adequate proficiency. He is now adapting well in a secondary school.
